

29 June 1999

Dear Mr Frank

As per our conversation, we have received a complaint from the Cohen family, whose daughter Sheila is buried in the B'Nai Jacob New Section Line 13 Plot 10A.

There is a grave which is very badly sunken, and the monument is over. Mr & Mrs Cohen feel it is very dangerous and are dismayed that they actually have to walk on people's graves to visit that of their daughter.

The following is our estimate of the work required to correct the situation:

The late Sidney Schachter B'Nai Jacob New Line 13 Plot 4 the monument foundation is rocking - we can use shims to steady it but cannot guarantee that it will last through another winter. Therefore, the costs listed below include a new foundation

lift & reset single monument	\$ 250.00		150.00
remove old foundation	125.00	/	inc 350.00
build new foundation (inc. sod)	615.00		
remove curbing	245.00	n/c	160.00
lift & reset footstone	52.50		53.00

\$ 1287.50

90.13

103.32

Total \$ 1377.63
